Serial No. 10/063,424  
Docket No. BLD920000005US2  
Firm No. 0036.0072C

REMARKS

Applicants note that the Supervisory Examiner Amelia Au corrected the continuation information for this application to accurately reflect that this application is a continuation of U.S. Application No. 09/697,544. PAIR reflects this correction.

Applicants note that the attorney for Applicants and the Supervisory Examiner Au contacted Examiner Jingge Wu to request that he review the prior art in the parent application and submit a paper in the prosecution record indicating that such art was reviewed.

In the statement of reasons for allowance the Examiner provided various reasons for allowance. Applicants note that the claims are directed to various combinations of features. It is respectfully submitted that the patentability of each of the allowed and allowable claims resides in every feature of the recited combination of features of the claims in addition to the features noted by the Examiner.

Applicants submit that no new claims or new matter has been added to the application. Nonetheless, should any additional fees be required, please charge Deposit Account No. 50-0563.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
